

*How can I reduce my organizations? I am sure there are other like organizations who struggle with the daily costs to run*

**About our company** – Food & Supply Source is a one-stop food, services and supply partner to nonprofits, social and human service sector organizations throughout the United States.

**What we do** - We provide your organization with efficiencies in menu planning, nutritional analysis, recipe development, budgeting, ordering, delivery, inventory control, portion control, product diversification, and more. By negotiating with suppliers willing to lower their pricing for our human service customer base, we offer group purchasing to save you 10-35% on your current food and supply purchasing on the highest quality products. We buy in large quantities and negotiate with the best quality service vendors to pass the savings on to you, at prices lower than our competitors.

Who do we serve:

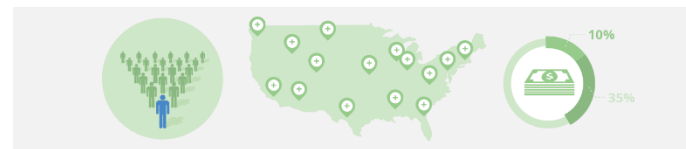

- Residential Treatment Programs
- Child Care Programs and Head Starts
- Hospitality Industry – Hotels, Motels and Conference Centers
- Any place that feeds or houses clients

**How do we document savings** – we collect invoices from prospective clients and then run a complete cost analysis of your current costs vs. our National pricing agreements.
